Dear Student:

Our records show that as of June 2006 you have an unpaid account balance at UC Davis and there is a Financial Aid hold on your account. Federal regulations for student financial aid limit (to \$100 or less) the amount the University can deduct from your financial aid to pay prior-year debts. For your current account balance, check SISWEB. If you are expecting financial aid for the 2006-2007 academic year, be advised that you must pay any debts you owe to the University before your fall aid can be disbursed. Please review the following options:

- ◆ Pay the entire amount yourself to release the hold; sign and return this letter and a copy of the receipt from the Cashier's Office to the Financial Aid Office.
- ◆ If the amount you owe is \$100.00 or less and you would like to use your Fall Quarter 2006 financial aid to pay this debt, sign and return this letter to the Financial Aid Office to release the hold.
- ◆ If the amount you owe is more than \$100.00, pay the total amount that exceeds \$100.00; sign and return this letter and a copy of the receipt from the Cashier's Office to the Financial Aid Office. When your payment is received, this letter will verify the final \$100 balance to be taken from your fall financial aid and the Financial Aid hold will be released.

We encourage you to resolve this debt before *August 2006* so that your financial aid funds can be available for Fall Quarter.

Sincerely,
 Financial Aid Office

I understand that *by exception and only if my aid is sufficient to pay both my educational costs and the outstanding debt*, my 2006-2007 funds may be used to pay my outstanding debt (of \$100 or less) to the University. I request that the University deduct the amount I owe from my Fall Quarter 2006 financial aid funds.
