

# FAFSA

## Check-List

Follow these steps to fill out the Free Application for Federal Student Aid (FAFSA) each year to apply for most types of financial aid.

The FAFSA opens December 2023 and is due March 2, 2024. Apply by the deadline for priority consideration.

### step #1: Create an FSA ID

The Federal Student Aid (FSA) ID is a username and password that is required to log in and access all Federal Student Aid websites, including the FAFSA. All students and contributors must have a FSA ID. The FSA ID serves as a legal signature when you submit your FAFSA.

Before you complete the FAFSA, you and the contributor (anyone who is required to provide information on the FAFSA) will need to create FSA IDs, including those with no social security numbers. These can take up to 5 days to be verified, so be sure to create these well before starting the FAFSA. If you have submitted your FAFSA in the past, you may have already created a FSA ID.

If you need help creating a FSA ID, we offer a presentation on our UC Davis FAFSA Simplification website that will go more in detail.

## step #2: Independent or Dependent?

Determine if you are an independent or dependent student.

**Independent Student:** Only report information about yourself (and your spouse if applicable)

**Dependent Student:** Report information about yourself and your parent(s) (this is the most common)

You are an independent student if at least one of these applies to you:

You will be 24 years of age or older as of January 2024.

You have a child or other dependent for whom you provide the majority of financial support.

You have a court-ordered legal guardian who is not your biological or adoptive parent.

You were in foster care at any point after age 13, or you were a ward of the court at any point after age 13.

You are currently married (but not separated or divorced).

You are homeless or at risk of being homeless.

Your parents are incarcerated or deceased.

You are currently on active duty or are a veteran of the U.S. armed forces.

If none of the above apply, you're a dependent student.

## step #3: Collect Student Documents

Collect all of the information and documents you need to submit.

**This must be submitted by both independent and dependent students. Be sure you have all of the information readily available when you are filling out your FAFSA.**

All students need to collect the following information:	Done?
Student FSA ID (username and password)	
Photo or copy of your social security card (if applicable)	
Photo or copy of your green card (if applicable)	
Give consent for your (the student's) 2022 federal tax forms to be pulled from the IRS by FAFSA (if applicable), or provide evidence of income earned (W-2 form or pay records)	
Total current amount in your checking and savings accounts: \$ _____	
Net worth of your investments: \$ _____	
UC Davis school code: 001313	

## step #4: Collect Contributor Documents

Collect all of the information and documents your contributor(s) need to submit.

If you're a dependent student, collect this info for your contributors (parent(s), guardian(s), spouse). If your parents are divorced/separated, include info about the parent who provides the majority of your financial support. If that parent is remarried, include your stepparent. ALL contributors must have an FSA ID.
