Per Federal Return of Title IV Regulations, UC Davis must determine if students who are receiving financial aid have completed each term for which they are receiving aid. If the institution is unable to make this determination due to a student receiving all non-passing grades, then this is considered an unofficial withdrawal. If the Unofficial withdrawal determination is incorrect, then students may submit supporting documentation to support continuing participation throughout the term for review.

Examples of supporting documentation include, but are not limited to:

- A screenshot of Canvas for all courses that have any type of score/grade posted
- A signed and dated letter on department letterhead
- An email from one of your instructors attesting to your attendance or participation throughout the term
- An email from one of your Teachers Assistant(s) attesting to the last date that you submitted homework or took a quiz/test, etc. an accompanying syllabus to verify the assigned TA.

Instructions:
