## 2023-24 Unsubsidized Direct Loan Request

Unsubsidized Direct Loans are available regardless of need; however, interest will accrue on the loan while the student is in school. Dependent students can borrow unsubsidized loan up to the amount approved for their grade level (please see the chart below). If parents are denied a Direct PLUS Loan for their dependent undergraduate student because of an adverse credit history, the student may be eligible to borrow additional Unsubsidized Direct Loan.

Independent students can borrow additional Unsubsidized Direct Loan, if necessary, to meet their student loan contribution. To determine your dependency status, check the dependency status questions on the 2023-24 FAFSA form [here](#).
